NOTICE OF RESOURCES AVAILABLE TO DEBTORS WHO DO NOT HAVE A LAWYER

There are resources available if you wish to retain an attorney but cannot afford to hire one. The Debtor Assistance Project ("DAP") is a legal clinic that is a partnership between the U.S. Bankruptcy Court for the District of Maryland and various members of the Maryland legal community. This program provides debtors with an opportunity to meet, one-on-one, with a volunteer bankruptcy attorney for a free half-hour consultation. The DAP provides legal advice to individuals without an attorney by answering their questions about bankruptcy, including how bankruptcy may be used to help prevent foreclosure. The DAP cannot provide an attorney to complete your paperwork for you or represent you.

For additional information about the DAP and instructions on how to schedule a free, private, half-hour virtual consultation with an attorney, visit: www.mdb.uscourts.gov (click on the "Don't Have a Lawyer" tab on the home page).

Resources are also available if you wish to retain an attorney but cannot afford to hire one, through legal assistance at low cost or with deferred payment options (Low Bono representation). For Low Bono Chapter 7 assistance visit here – www.mdb.uscourts.gov/node/826.

The following organizations also provide free or reduced fee legal representation to qualified individuals:
